		Industry of Defense -Security Directive of the Industry of Defense, - Facility Private Security Handbook	

2.1. INTERPROBE will be able to collect and process the following data according to the Law on the Protection of Personal Data (“Law”) No. 6698 and the laws and manners specified in other relevant legislations.

2.2. As part of your visit to INTERPROBE, we process your name data, identity data and camera visual/audio recordings attained through the visitor form and the closed circuit security camera system. The collected data is processed for the creation and tracking of visitor cards, the operational security of the data controller, securization of the physical environment, execution of information security processes, the execution of job health/security activities, the fulfilment of responsibilities arising from the Occupational Health and Security Law No. 6331 and for the other legitimate interests of the Company.

2.3. Your log records may be processed in restriction to the purposes of providing wireless networks within the Company and the recording of access to sites under the scope of the legal responsibilities of the Company.

Article 3 – To Whom And Why the Personal Data May Be Transferred

3.1. Your personal data may be shared with authorized public Institutes and Organizations under the scope of the causes and judicial reasons specified above for the purpose of judicial proceedings private or public in nature. Your personal data is not transferred abroad. It is held in our domestic servers inland.

Article 4 – Methods of Collecting Personal Data and Legal Justification

4.1. In case judicial relations are established, personal data can be attained through camera systems that remain active for 7 days and 24 hours. LDPL clarification visuals are located in Workplace division equipped with camera systems. This layered clarification text is provided as a link inside the visual.

4.2. In pursuant to the provision located in article No. 5 of the PDPL, personal data cannot be processed without the direct consent of the relevant person. The law has clarified special circumstances where direct consent will not be sought. Your personal data may be processed without seeking direct consent in the case that an explicit provision is present in the Law, as long as it is directly related to the enactment or completion of a contract, that it is necessary for the personal data of contracting parties to be processed, that it is mandatory for the fulfilment of the company’s judicial responsibilities, that it is made public by the person in question themselves, that it is necessary to process data for the establishment, utilization or protection of a right, that data has to be processed for the legitimate interests of the Company, under the condition that the fundamental rights and freedoms of the relevant person are not damaged.

4.3. For INTERPROBE to be able to proceed with it’s operations, personal data may be processed on the basis and procedures foreseen in the other relevant legislations and with regard to the causes and conditions for processing personal data as stated in articles No. 5 and No. 6 of the PDPL in order to fulfil the causes specified in this Clarification text and for the fulfilment of the judicial responsibilities specified above.

Article 5 – The Storage Period and The Privacy of Your Personal Data

5.1. Your personal data will be held according to the causes specified above. Types of personal data that have to be stored mandatorily by law will be stored for 2 (two) years upon the date of the visit. Asides from data that has to be processed by Law you can withdraw the permission that you have granted for the processing of your personal data at any time.

5.2. It is important for your personal data to be correct and up-to-date. If this is not the case then you bear the right and the responsibility to immediatly get in touch with the Human Resources Department. The Company will revise, update, delete or remove the data in question. Your requests in relation to your personal data will be answered through your instrument of inquiry a maximum period of 30 days after it reaches us.

5.3. Under the scope of the Facility Private Security Handbook (TÖGEK) and for the securization of the inner Company, your audio and visual recordings will be held for 3 (three) months.

Article 6 – Your Rights Over your Personal Data Under The Scope Of The Law No. 6698

6.1. Know whether any of your personal data has been processed, request information regarding activities in which your data has been processed, know why your personal data is being processed, know the domestic or foreign third parties who have received your data, request for your personal data to be revised if it has been processed inadequately or incorrectly, ask for the data to be deleted or obliterated if the causes for the processing of the data are no longer valid or if the Company does not have a legal basis or legitimate interests to maintain the data, request for the Company to ensure that third parties who were authorized by the Company to process your personal data respect your rights with in line to this section, object to adverse outcomes caused by the processing of personal data through automatic systems and request for any harm caused by the unlawful processing of your personal data to be resolved.

6.2. You can communicate your questions regarding your rights over the processing of your Personal Data to the Human Resources Department in written form.

6.3. Requests made in relation to your personal data will be answered through the instrument of your inquiry after a maximum period of 30 days after it reaches us.

Article 7 – Your Responsibilities

7.1. You must ensure that all personal data that you have access to is processed in line with the Law and other legal legislations. This responsibility is shared equally by the Company's workers/worker candidates, customers and the third parties who have their data processed. You must not use the personal data in question for purposes other than the causes created by your service relationship with the Company and the measurements required by these causes. (Know that disregarding this is not only a violation of the Law but also a violation of your business contract and the Business Law.)

7.2. In the case that you provide us with the information of a third person (for example; the contact information of someone to be contacted in case of emergency), you will be considered to have accepted that the person in question has provided you with direct consent for their data to be processed in scope of the Law, that the necessary clarification was provided to them and that they have accepted the privacy notices in advance.
